Music that offers a unique sensation...

"We compete in the Film and TV music arena everyday with major publishing companies, and we feel like we have experience to evaluate a song's potential. Yours went beyond potential. It is a winner."

Songwriter, producer, publisher, Janet Fisher, [Goodnight Kiss Music](#), CA

"You have a very nice album on your hands, and the fact is that it is all about the music and the feel. You have accomplished both."

Mastering engineer, Vlado Meller, [Sony Music Studios](#), NY

"I enjoyed listening to the songs. The musicianship and production are outstanding. So is the presentation, including photography and graphic design of the CD and press kit."

Founder & President, Eugene Foley, [Foley Entertainment](#), NJ

"*Luce Lontana* is beautifully crafted and elegantly produced. The main theme is very haunting; the vocal gives it a bit of a 'Star Trek' vibe though."

Critic, [Unisong.com](#), CA

"All I can say is that I am absolutely enchanted with your sound. It fills me with such imagery, words cannot express."
